- Maintained zero critical errors in anesthesia documentation
- Supported ICU operations and emergency response effectively
- Ensured compliance with infection control standards

## CORE CLINICAL SKILLS

---

- Anesthesia Assistance & Administration Support
- Patient Monitoring (IBP, CVP, Vital Signs)
- Preoperative & Postoperative Care
- Airway Management & Ventilation Support
- ICU & Critical Care Support
- Infection Control & Sterilization
- Medical Documentation & Record Keeping
- Emergency Response & Resuscitation Support

## SURGICAL EXPOSURE

---

- Gynecology
- General Surgery
- Orthopedic Surgery
- Cardiac Surgery
- Urology Surgery
- Maxillofacial Surgery
- Plastic Surgery

## EQUIPMENT HANDLED

---

- Anesthesia Machine & Monitor
- Anesthesia Ventilator
- ICU Ventilator
- Vaporizers
- ABG Machine
- Body Warmer & Fluid Warmer
- Glucometer
- Airway Equipment

## CERTIFICATIONS

---

- **DHA UNIQUE ID 37356849**
- ACLS (Advanced Cardiac Life Support) – American Heart Association
- BLS (Basic Life Support) – American Heart Association

## TECHNICAL SKILLS

---

- Medical Equipment Handling
- ICU Monitoring Systems
- Patient Data Documentation
- Basic Computer Skills

## LANGUAGES

---

- English – Fluent
- Malayalam – Native
- Hindi – Conversational
