## — WORK EXPERIENCE

### Senior Manager / Director

Oct 2024 - Present

Columbia Hospital & Nightingales | Sparsh Hospital | Bangalore, India

- Overall responsibility for the operational management of leading private hospitals (Columbia Hospital & Nightingales, Sparsh Hospital) with focus on quality assurance and patient satisfaction.
- Coordinated cross-hospital initiatives to standardise dental and clinical service delivery, ensuring consistency in patient experience and outcomes.

### Founder & Director

Ongoing

Amrita Dental Academy | Bangalore, India

- Founded and lead Amrita Dental Academy — a structured training institute delivering hands-on clinical education to BDS and MDS professionals.
- Designed comprehensive curricula covering endodontics, smile design, oral surgery, laser dentistry, and practice management for both BDS and MDS candidates.
- Mentored aspiring and practising dentists through workshops, live case demonstrations, and one-on-one clinical guidance to elevate professional standards.
- Built collaborations with dental colleges and industry partners to expand reach and provide CPD-accredited learning pathways.

## Founder & Senior Dentist

*Jul 2007 - Present*

Amrita Dental Clinic | Bangalore, India

- ◆ Led and managed operations across 5 dental clinic branches, ensuring smooth workflow, high-quality patient care, and operational efficiency.
- ◆ Supervised a team of 15 dental professionals, providing consistent mentorship and support to enhance clinical performance.
- ◆ Designed and implemented training programs for interns, BDS, and MDS dentists, improving clinic management and operational knowledge.
- ◆ Optimised clinic workflows and resource allocation, resulting in improved service delivery and operational efficiency.
- ◆ Conducted regular audits of clinical practices and patient records, ensuring compliance with healthcare regulations.
- ◆ Engaged directly with patients, cultivating long-term relationships and high satisfaction rates.
- ◆ Collaborated with dental suppliers and laboratories for consistent availability of high-quality materials.
